Response Pursuant to 37 C.F.R. § 1.111

In the Office Action mailed July 7, 2003 (the Examiner's first Office Action), the Examiner rejected 1-10, 12-24, 26-28, and 32-53; allowed Claims 54-57; and indicated that Claims 11, 25, and 29-31 would be allowable if rewritten in independent form. To put this case in condition for allowance in accordance with the Examiner's Office Action, Applicants cancelled the claims rejected by the Examiner and amended Claims 11, 25, and 29-31 to rewrite them in independent form.

In the Office Action mailed April 2, 2004 (the Examiner's second Office Action), the Examiner reversed himself and rejected Claims 11, 25, 29-31, and 54-57, which the Examiner previously indicated would be allowed. Because Applicants' prior amendments were made to expedite issuance of the allowed claims and the Examiner has now rejected those claims, Applicants repeal their prior amendments by reviving all claims as originally filed. Accordingly, Applicants have canceled pending Claims 11, 25, 29-31, and 54-57 and added new Claims 58-114, which are identical to original Claims 1-57 as initially filed. Applicants respectfully request allowance of pending Claims 58-114.
